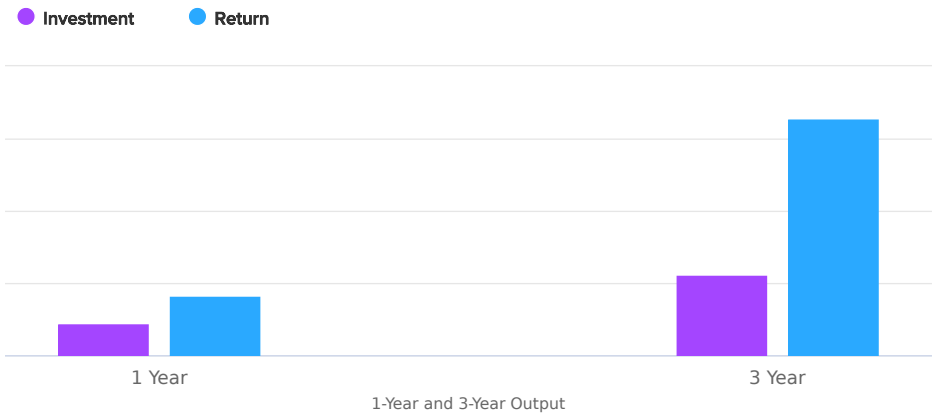
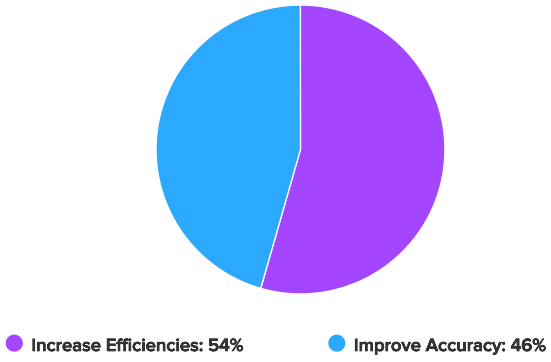
Your 3-year ROI is:	195%
Months until investment pays back:	6.3
Overall 3-year value created:	$819,927
Monthly cost of waiting:	$15,051

Your Investment vs. Your Return (Cumulative)



How Provation Can Help You



Please carefully read all of the terms of this Disclaimer. By viewing and utilizing this Cost Savings Tool, you acknowledge that you have read, agree to, and understand this Disclaimer. The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on qualitative data provided by Provation customers, as well as various assumptions made by potential customers as they complete the tool and produce estimates only. Such estimates are not a guarantee of savings and the actual ROI realized by customers will vary from the estimates provided. It is being provided strictly for illustrative purposes to assist customers with evaluating the potential ranges of return for Provation solutions; however, Provation and Hobson & Company (the firm that created the tool) do not guarantee or represent that your business will experience the possible benefits listed in the tool or that your estimate is accurate. Provation provides the ROI tool “as is”, and hereby disclaims all warranties and conditions, either express, or implied. In no event shall Provation be liable for any damages, including consequential, incidental, indirect, direct, special, punitive or exemplary damages arising out of, or in any way related to, the use of the ROI tool. THE ROI TOOL IS ONLY INTENDED FOR USE IN THE UNITED STATES.
