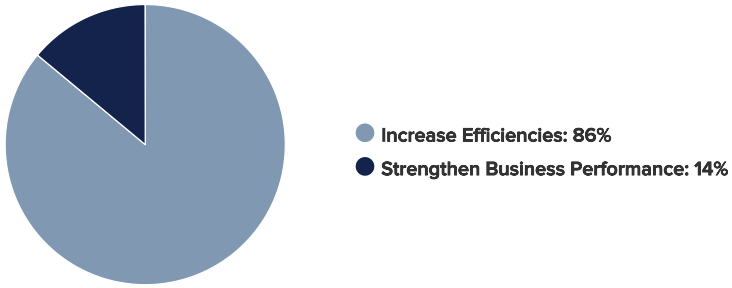
HST Pathways

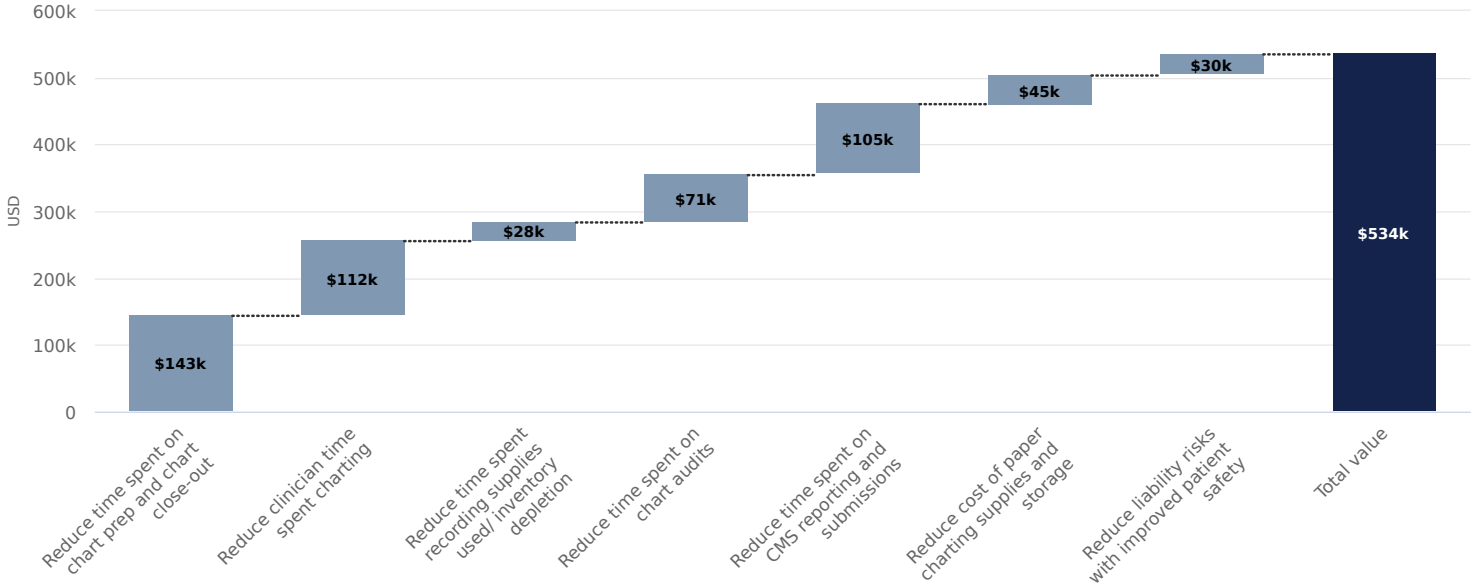
Value Summary - Electronic Charting

Overall 3-year value created: $533,971

How HST's Electronic Charting Can Help You



Customer Validated Business Benefits



The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on data provided by HST Pathways customers and various assumptions, and produce estimates only. The actual ROI realized by customers may vary from the estimates provided. HST Pathways offers this tool to assist customers with evaluating their ASC solutions; however, HST Pathways and Hobson & Company (the firm that created the tool) are not responsible for the accuracy of any estimates.

HST Pathways
