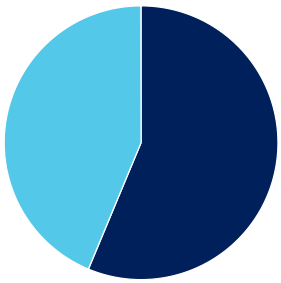
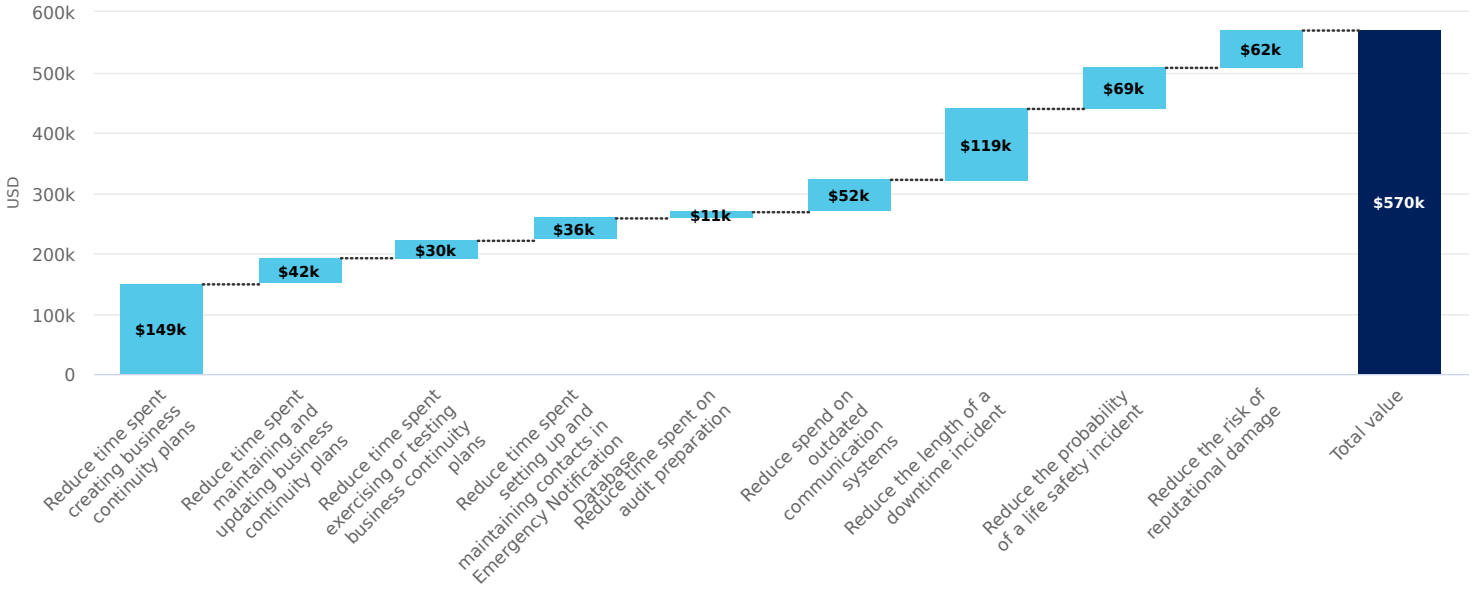
How Preparis Can Help You



- Streamline Business Continuity Management: 56%
- Mitigate Risk: 44%

Customer Validated Business Benefits



The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on data provided by Preparis customers and various assumptions—and produce estimates only. The actual ROI realized by customers may vary from the estimates provided. Preparis offers this tool to assist customers with business continuity planning and response; however, Preparis and Hobson & Company (the firm that created the tool) are not responsible for the accuracy of any estimates.
