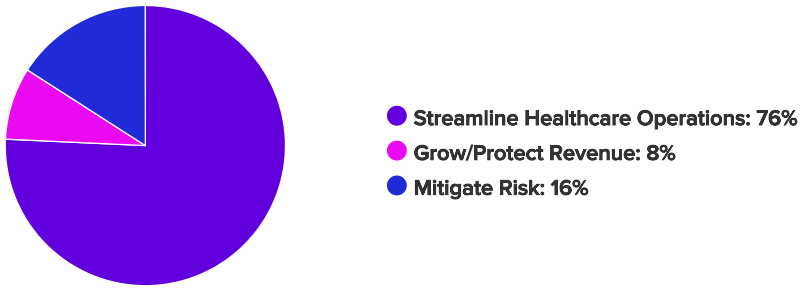
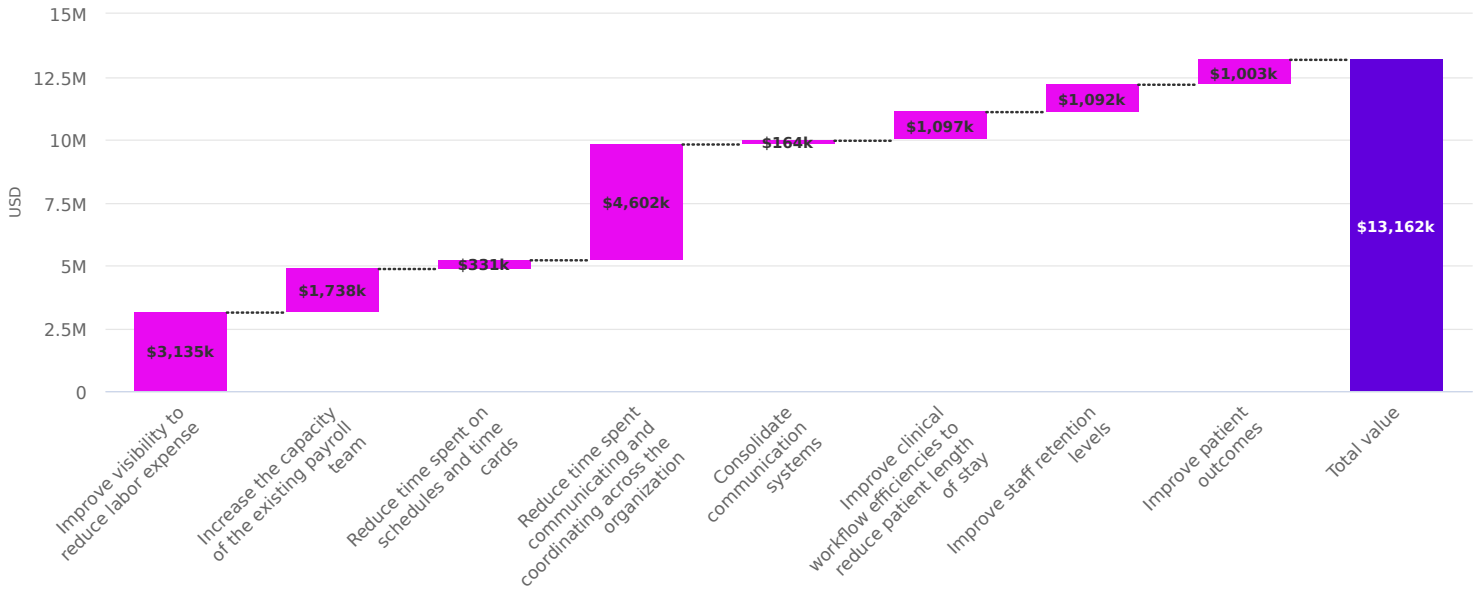
VALUE SUMMARY - Workforce Management Solutions

Overall 3-year value created: $13,162,196

How symplr Can Help You



Customer Validated Business Benefits



The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on data provided by symplr customers and various assumptions—and produce estimates only. The actual ROI realized by customers may vary from the estimates provided. symplr offers this tool to assist customers with workforce management; however, symplr and Hobson & Company (the firm that created the tool) are not responsible for the accuracy of any estimates.
