VALUE SUMMARY - INFIOS TMS & MULTIMODAL OPTIMIZATION

Overall 3-year value created: $5,404,493

How Shipper TMS and Multimodal Optimization Can Help You

Customer Validated Business Benefits

The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on data provided by Infios customers, and various assumptions, and produce estimates only. The actual ROI realized by customers may vary from the estimates provided. Infios offers this tool to assist customers with evaluating transportation management solutions; however, Infios and Hobson & Company (the firm that created the tool) are not responsible for the accuracy of any estimates. The information generated from this tool is in no way warranted yet is provided as a good faith estimate based on analytics available.
