How RadarFirst Can Help You

## Customer Validated Business Benefits

The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on data provided by RadarFirst customers, and various assumptions, and produce estimates only. The actual ROI realized by customers may vary from the estimates provided. RadarFirst offers this tool to assist customers with evaluating their incident response management solutions; however, RadarFirst and Hobson & Company (the firm that created the tool) are not responsible for the accuracy of any estimates.
