Provider Data Management Solutions
for Healthcare

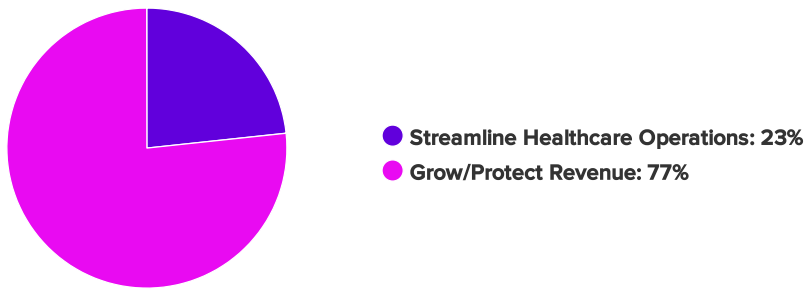

VALUE SUMMARY

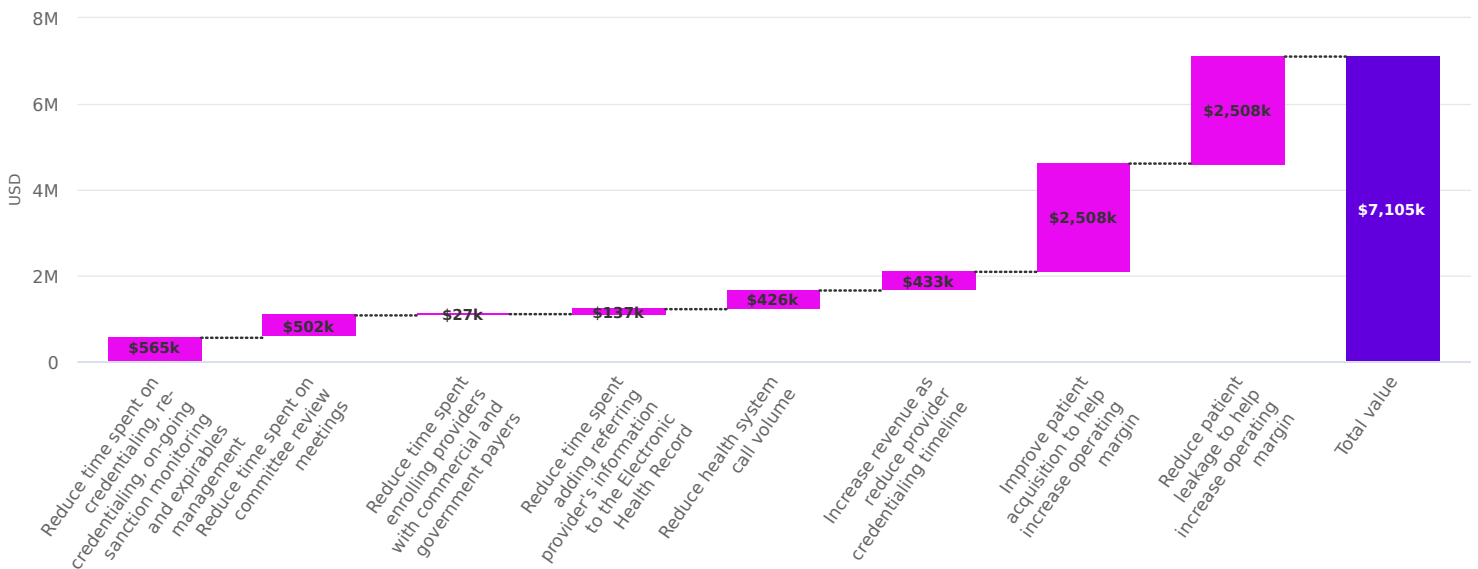

Overall 3-year value created:

\$7,105,366

How symplr Can Help You

Customer Validated Business Benefits

The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on data provided by symplr customers and various assumptions—and produce estimates only. The actual ROI realized by customers may vary from the estimates provided. symplr offers this tool to assist customers with provider and data management; however, symplr and Hobson & Company (the firm that created the tool) are not responsible for the accuracy of any estimates.
